# QUARTERLY ANNOUNCEMENT

OF

## Sunday \* School \* Literature.

DEAR FRIENDS:

Again we come to you with our regular quarterly announcement of Sunday-school supplies. For the third quarter, beginning July 1895, our supplies are, with a few exceptions, practically the same as before.

1. The BRETHREN and YOUTH'S Quarterlies will have three pages of Bible Dictionary, giving full description of the different words and names used in the lessons. Besides there will be three pages of very valuable and practical information for the teacher and pupil. The most improved methods of Sunday-school work, and the most practical suggestions will be found in this department. These six pages alone are worth the price of the quarterly—four cents. The COMMENTS on the text, the LIFE TEACHINGS, the QUESTIONS, and MISCELLANEOUS matter will be found the best that can be prepared, and adapted to the wants of the Bible student, whether old or young.

2. We desire to call your attention once more to our Sunday-school paper—CHEERING WORDS. This paper, as you will observe, is largely made up of selections. These selections are made from the very best papers in the country, more than sixty of which come to our office. It has been our constant aim to secure original matter for this paper, and thus increase its usefulness. We refer our readers to the last issue of the quarter, dated June 30, containing an original story by J. D. McFaden, entitled "Saved by a Picture," with an original illustration prepared specially for this story, by our artist. There is also an excellent story by B. C. Moomaw, entitled "Lost Everything." We shall try to continue original stories and articles regularly, and good illustrations at least once a month, oftener, if possible. Considering the quality of paper used, the amount of matter, etc., there is no other paper published that can compare with it in price.

3. OUR LITTLE FOLKS will continue the same, bright little paper for the boys and girls, as before. Each lesson will be illustrated with an original cut, prepared by our artist, for this purpose. The first page also will have an illustration as often as the means of the paper will permit. As specimen copies we refer our readers to the last issues of the quarter. There will be original stories and interesting letters to the children, by one whom we have employed to do this work. It is our purpose to make this the brightest little paper published. We are interested in the little folks and we will do all in our power to give them an excellent paper, and make them happy.

### A WORD TO OUR CUSTOMERS.

Our supplies for this present quarter, were exhausted before all the orders were filled. This compelled us to disappoint some of our customers, much as we disliked to do it. We have taken due precaution and prepared ourselves to meet the demand. All who send us orders for supplies for next quarter will be sure to have them filled, and that promptly. Do not hesitate, therefore to send us large orders; they will have our prompt attention. Our schools have done well; they have nobly stood by us, and we thank them for their patronage, and solicit a continuance of the same in the future. Let us stand together and make this the most successful quarter since the introduction of our own literature. *Send in orders early and we will see that you get your literature TEN DAYS BEFORE THE TIME when it is needed.*
